On July 23, 2002 the Oracle Enterprise License Agreement (ELA), Agreement Number 3036603, with Oracle Corporation for database licenses, products and services was rescinded. Therefore, effective immediately, Management Memo 01-19 dated September 17, 2001 is rescinded.

State departments shall follow established policy, procedures and guidelines as defined in the State Information Management Manual (SIMM), the State Administrative Manual (SAM), and other Management Memos when acquiring Oracle database licenses and support, as with any database acquisition.

Clothilde V. Hewlett, Interim Director  
Department of General Services
